

Save Money with a Network Dentist

TruAssure gives members access to an extensive nationwide dental network.* When TruAssure members visit a network dentist, they can save between 20 to 40 percent on their dental treatment. Network dentists accept TruAssure's allowed fees as payment in full and cannot charge patients the difference between TruAssure's allowed fee and their submitted fee. The chart below is an example of how much you can save when you visit a network dentist.

Example Savings for a Cleaning and a Crown**

	Dentist Submitted Fee	TruAssure Allowed Fees	Percentage of Allowed Fee Paid by TruAssure	Amount TruAssure Pays	Amount Dentist Can Bill You Over TruAssure's Allowed Fee	Total Amount You Pay	Your Total Cost Savings
