

Finding a Network Dentist

TruAssure gives members access to an extensive nationwide dental network through the DenteMax and DenteMax Plus dental networks.* Hundreds of new network dentists are added each month, and all network dentists undergo rigorous credentialing before they can join the network. When TruAssure members visit a network dentist, they can save between 20 - 40 percent on their dental treatment.

Select your search criteria. You can search by location, provider name or office name. You have the option to search for a dentist by specialty from the drop down menu.

- 4 Once you've entered your search criteria, click on "Search for Providers."
- 5 Results are automatically sorted by distance or alphabetically by provider or office name, depending on your specified search criteria. You can sort results by name, city, clinic name and ZIP code. If you search by location, entering your street address will provide the most accurate results. You can easily print and email your results from the search page.
- 6 Click on a provider's name to view more information and map their office location.
- 7 If you would like to update your search, you can easily change your search criteria and click "Update Search Criteria" to see new results. Click "New Search" to begin a new dentist search.
